CANAL DREDGING: John Zmarthie, an engineer with the NYS Canal Corporation addressed the board regarding the upcoming canal dredging. Large vessels have been bottoming out in the canal due to depositing from Ganargua Creek. That area has needed to be dredged for a long time. Before that is done, the spoil site needs to be prepared. They basically do not need our permission to do the dredging or depositing of the sludge because that is all NYS Thruway Authority property. However, in order to make the spoil site ready, the drains need to be fixed in the "old" canal bed which is Village property. This old canal bed has not been draining properly. They would like to work jointly with the Village to get this working as was intended. They will also forward the necessary approvals for the dredging from DEC and the Army Corp. of Engineers when they have them in hand. Mr. Zmarthie, Trustee Salomon and Bob Raeman of Sneidze's will have a meeting soon to discuss this further.

FRANKLIN STREET: Mayor Wilson reported on the property line dispute on Franklin Street. He recommended that we have a survey done in order to resolve this issue so that the Village Police can respond to complaints appropriately. There were requests for a survey from three sources last November but as far as we know a survey was never ordered. Trustee Guest motioned to accept the lowest bid for a survey of Franklin Street. Seconded by Trustee Celentano. Vote, 5 ayes. CARRIED.

OLD BUSINESS: Dick Peck addressed the board regarding the work that will done in his back yard to fix the poor drainage. Trustee Celentano said the tests came back on the topsoil indicating that the soil is all right. He met the Bob Raeman the engineer on the property. Mr. Raeman proposed that the area be regraded to take out the high point and install a 4" corrugated plastic drainage pipe. This work can not be done until the area drys out more. Mr. Peck does not agree with the test results on the topsoil. He also feels something is wrong with the subsoil which was never tested. Trustee Celentano will ask Mr Raeman to put his proposal in writing. Trustee Celentano will come over again and look at it when it's raining.

ADJOURNMENT: Motion to adjourn at 10:08 by Trustee Guest. Seconded by Trustee Gunkler. Vote, 5 ayes. CARRIED.
