Regular Board Meeting

March 25, 1974  
Board of Trustees

7:00 P.M.

Present: Mayor Sidney J. Fitzgerald, and Trustees Lloyd A. Green, David C. McGuire. Absent, Trustees Marcia Lynn and Trustee Strong. Trustee Strong along with Wayne Ackart, Lozier Engineers, had agreed to attend a meeting called by the Wayne County Board of Supervisors relative to a proposed County Wide Water Study.

2 Min. Mayor Fitzgerald opened the meeting with a two minute silence.  
Silence:

Vouchers: Motion by Trustee Green, 2nd by Trustee McGuire and carried, to approve the payment of the vouchers in the amount of \$103,911.05.

Minutes: Motion by Trustee McGuire, 2nd by Trustee Green and carried, to accept the minutes of the previous meeting.

Visitors: Mrs. Mary Lou Wilson, Trustee Elect was present at the meeting.

Tn.Tax A letter received from the Town of Palmyra in reply to a request  
Relief: from the Village Board that the town consider exemption of items #3 and #4 of the highway budget for Village residents was proposed but died for lack of a second. Mayor Fitzgerald commented that he wished the matter rekindled again in August.

Fire James Lefever, Palmyra, N.Y., submitted a quotation for the  
Barn resurfacing of the flat roof on the back fire station in the  
Roof: amount of \$350.00. He commented, however, that prior to repairing this area, it would be his suggestion that the balance of the village hall roof including the east half, and rear south back-half, be re-roofed inasmuch as if the firebarn is repaired first, falling slate from the village hall roof would damage the firebarn. He submitted a figure for the village hall which may be added to the proposed budget for 6/1/74-5/31/75.

Potter Bruce Wideman, Zoning Officer commented that Laurence Potter,  
Sign: owner and operator of the Laundromat on William Street, has replaced the overhanging sign, which had been damaged by wind, even though the clerk had written him a letter advising that the sign should not be repaired or replaced. Wideman advised that he could have a 15 sq.ft. sign on his own property, but was in violation with the sign overhanging the village street (sidewalk).

Palmyra Zoning Officer Wideman advised that the Palmyra Motors have  
Motors: obtained a building permit for the work that they are doing at the rear of the apartment at 451 West Main St., adjacent to the Palmyra Motors showroom and garage to the west. The debris and cars have been removed. Wideman further explained that in talking with the Environmental Conservation in Avon, it was their advise that the village would be in a better position to control this type of thing inasmuch as it is on private property. Mayor Fitzgerald countered that debris has been thrown on the neighbor's property. Officer Wideman replied that he would appreciate the board's patience as he feels that he can get the matter resolved.

C.Rich- Charles Richardson, Acting Police Justice advised the board  
ardson: that he had received a summons in court today (3/25/74). If need be, he continued, he would like to confer with his own attorney as well as the village attorney, relative to the charges.

March 25, 1974

Woodward Assoc. Re: Howell & E. Fost. Sewer: Olgerts Sneidze, consulting engineer, Woodward Associates informed the board that inasmuch as the permissive referendum relative to the authorization of \$125,000.00 for the borrowing to be used for the installation of a sewer line and pump station on south Howell St., and East Foster had been approved, the next step would be to draw the specs, after which they would be sent to the state for approval, then bids, with a possible excavation date of September, 1974, and hopefully to be finished by June, 1975. The pumping station would be in use by May for testing prior to allowing use of the lines.

Test Borings Needed: O. Sneidze indicated that costs may go up from the figure that was originally suggested of approximately \$100,000.00. There is in the estimated figure, an expenditure of \$500.00 which would be for test borings. No federal or state grants would be available, according to Mr. Sneidze.

Resol.: The following motion was made by Trustee Green, 2nd by Trustee McGuire:

Author. of Agreement with Woodward Assoc.: **WHEREAS**, The Village of Palmyra has been authorized by permissive referendum to borrow the sum of \$125,000.00 for the purpose of extending the sanitary sewer line on south Howell Street to right angle to the west on East Foster Street, and install a pump station,

**BE IT RESOLVED THAT**, Mayor Fitzgerald be authorized to sign the agreement with Woodward Associates, Webster, N.Y., to proceed with the necessary specs, submission to the state, and test borings.

Vote:	Trustee Green	Aye
	Trustee Fitzgerald	Aye
	Trustee McGuire	Aye

Carried.

**3. This local law shall take effect upon the date of filing in the office of the Secretary of State of New York State.**

**Citizens  
Comment:**

Mr. Morell questioned if the items were not published, how would the public know if any revisions had been made to the zoning. Mayor Fitzgerald advised that there would be a notice of a public hearing but that the complete verbatim law would not be published, only a summary. A complete wording would be available in the clerk's office for viewing. Mr. Morell seemed to feel that it should be published in full as was Luther Sheldon's opinion, Chairman of the Zoning Board of Appeals.

Mayor Fitzgerald reiterated that no action would be taken on any proposed change in the zoning until after a public hearing and the village board had a discussion of the matter, depending on the reaction of the citizens.

John Blazey advised that he too, felt a change should be published in full.

Luther Sheldon, after listening to the comments, agreed that a summation of a change in the zoning would suffice, if it were adopted.
