Dear Mayor Nussbaumer:

After several years of planning -- and waiting -- our Urban Renewal Plan has been finalized. We are quite excited about the plans which have been formulated by our Architect, Herbert L. Mandel, and our Consultants, Candeub, Fleissig and Associates.

The Plan was presented to the Agency Board at a meeting on July 11, 1972 and was very well received by Board members.

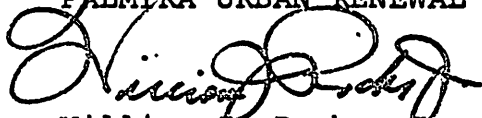

We would like to share these plans with you for the revitalization of an intricate part of Palmyra, therefore, a meeting of the Palmyra Urban Renewal Agency, the Village Board, the Village Planning and Zoning Boards, has been set for 7:30 p.m. on Monday, August 7, 1972 in the Health Center Rooms.

Mr. Paul Szymanski of Candeub, Fleissig will be on hand to explain the Plan in detail and to answer any questions which may arise.

We trust that you will be able to attend this important meeting.

Very truly yours,

Comments:**

In most of the cases, he advised, he has been able to confront the owner, who has been willing to cooperate to keep the dog under control. In one instance, he cited, he advised that many people do not know how to properly train a young puppy and for this reason, the dog has grown to be semi-wild. It was his suggestion that people who obtain young puppies should take an indoctrination course on the proper care. Mr. Fisher commented that he would write a full report on his activities with calls on animals.

The Police Report for the month of July, 1972, was reviewed and unanimously accepted. Clerk was asked to write the group to thank them for their interest and will be glad to assist in removing the articles to a better storage spot.
