

June 1, 1970

**Conflict of Int.:** Recent comments in and around the Village of Palmyra prompted the Village Board to further emphasize the need for each and every employee of the Village of Palmyra, including Village Board members to refrain from advancing for personal gain any type of business. A pamphlet published by the New York State Department of Audit & Control, entitled "Conflicts of Interest" explains fully the possible pitfalls of an employee soliciting business for personal gains while holding a public office.

**Fire: Dept. Members** The Board of Fire Commissioners of the Village of Palmyra recommended the following for training in the fire department: Michael J. Day, Marquart's Trailer Park; Richard D. Reithel, Marquart's Mobil Manor, John Joseph Gigliotti, Northside Trailer Court, and Francis J. Rush, 33 Canandaigua Road, Palmyra, N.Y.  
On motion by Trustee Leysath, 2nd by Trustee Sinclair and carried, the above men will be approved for membership pending completion of the prescribed training period.

**Tour Garlock, Inc.** : Mayor Nussbaumer informed the board that he had discussed with Kenneth Harter the possibility of the Village and Town Boards being escorted through Garlock, Inc. Several dates were suggested with June 17th at 7:00 P.M. being the most suitable. Clerk was instructed to so inform John D. Lynn.

**Light Industry:** Mayor Nussbaumer related that he had been approached for information relative to the area on East Main Street owned by the Village of Palmyra, which is around the sewer disposal plant, facing on Route #31. Discussion revealed that it had been the thinking of previous boards that this piece of land should be retained by the village as a possible site for future village barns to house all equipment including fire apparatus. Mayor Nussbaumer informed the board that he would try to obtain more concrete information as to the type of light industry, determining whether or not there would be a possible pollution, noise or traffic problem involved.

**Dead Tree:** A dead elm tree at the rear of 111 East Charlotte, Avenue, owned by Victor John DePauw, has prompted village board members to request that a notice be sent to him for its removal.

**Steel Flag Pole:** H.B. Nesbitt, Village Attorney, advised that the Republican Party would like to convey any interest in the steel pole which has now become a landmark, to the Village of Palmyra. A letter, he advised, is forthcoming.  
The following motion was made by Trustee Sinclair, 2nd by Trustee Leysath and carried:  
RESOLVED: That the Village of Palmyra, while it has for the past 75 or 80 years tended to repairing and replacing the flag on the steel flag pole, it will accept now full responsibility for the care of the pole, including repair and replacing of a pole of suitable height.

On voice Vote:

Mayor Nussbaumer	Aye
Trustee Sinclair	Aye
Trustee Leysath	Aye
Trustee Mierke	Aye
Trustee McGuire	Naye

Motion carried.

**Adjourn:** Mayor Nussbaumer adjourned the meeting at 9:40 P.M.

Theresa P. Otte, Clerk Treasurer

June 1, 1970

Special Board Meeting

Board of Trustees

7:00 P.M.

**Present:** Mayor David Nussbaumer, and Trustees Donald Sinclair, Donald Leysath, David McGuire and Paul Mierke. Henry B. Nesbitt, Village Attorney.

**Dump:** Trustee Leysath advised that Trustee Sinclair and he had conferred with Siegel Gilfus, caretaker of the Village Dump on Garnsey Road relative to the contractual increase desired by Mr. Gilfus of \$5,200.00 which would be an increase of \$2,068.00 over the \$3,132.00, which he is currently receiving. Further discussion consummated an agreement of \$4,500.00 per year beginning June 1, 1970. The following resolution was offered by Trustee Sinclair, 2nd by Trustee Leysath and carried:

**Transfer:** RESOLVED: That the fiscal budget for the year 6/1/70 - 5/31/71, **Funds** be amended in account #A8160.4, Contractual Expenses of Refuse **from** Collection and Disposal from \$3,500.00 to \$4,868.00 by trans- **Conting.** ferring the amount of \$1,368.00 from the Contingent Fund to cover the **to Dump** increase needed to pay Siegel Gilfus, caretaker of the dump.

**Execu-** The following motion was made by Trustee Leysath, 2nd by Trustee **tive** Sinclair and carried:

**Session:** RESOLVED: That the Board of Trustees of the Village of Palmyra entertain a motion to convene in an executive session as of 7:15 P.M.E.D.S.T.

**Re-Convene:** The following motion was made by Trustee McGuire, 2nd by Trustee Sinclair and carried:

RESOLVED: That the Board of Trustees of the Village of Palmyra entertain a motion to re-convene the special meeting as of 8:25 P.M.E.D.S.T.

**Hauler** Discussion evolved relative to the annual fee of the commercial **Contract:** haulers of \$25.00 per year. The consensus of opinion seemed to be in order to help defray the added expense of the contractual fee of the caretaker, the hauler should have to pay \$35.00 per month.

**Raise** : The following motion was made by Trustee Leysath, 2nd by Trustee **Fee for** McGuire and carried:

**Comm.** Resolved: That the commercial hauler beginning June 1, 1970 and **Trucker** until such time as the New York State Department of Health may deem it inadvisable for continuance of the use of the Village of Palmyra Dump, be assessed \$35.00 per month, payable monthly.

**Raise Fee:** The following motion was made by Trustee Leysath, 2nd by Trustee **for Indiv.** McGuire and carried:

**Use** RESOLVED: That the individual user of the Village of Palmyra Dump, providing he is a resident of either the Village or Town, be allowed to purchase a sticker for the fee of \$1.00 beginning June 2, 1970 to be valid until May 31, 1971, or until such time as the New York State Department of Health may deem it advisable to close the Village of Palmyra Dump on Garnsey Road.

BE IT FURTHER RESOLVED THAT: The Board of Trustees of the Village of Palmyra amend the rules and regulations of the dump owned by the Village of Palmyra on Garnsey Road to read as follows: to wit:

**Dump Rules:** \_\_\_\_\_, residing at \_\_\_\_\_

\_\_\_\_\_, is hereby licensed by the Village of Palmyra to dump and dispose of garbage, trash, etc., as a commercial hauler pursuant to the rules and regulations of the Village of Palmyra at the Sanitary Land Fill owned by the Village of Palmyra and located on the Garnsey Road in the Town of Palmyra during the period of June 1, 1970 to and including May 31, 1971.

This license is subject to revocation in the event of any violation by the licensee of the rules and regulations pertaining to the disposal of refuse at said location.

THE VILLAGE OF PALMYRA

SEE ALSO Pg 250

By \_\_\_\_\_ Clerk Treas.

June , 1970

Disposal shall be made only in the designated areas and, when an attendant is on duty, only at the direction of the attendant.

Section 5. Disposal Hours

No person other than commercial haulers duly licensed by the Village of Palmyra shall dispose of refuse on the Sanitary Land Fill except between the hours 1:00 P.M. and 6:00 P.M., on Wednesday of each week, and 8:00 A.M. to 6:00 P.M. on Saturday of each week. Any commercial hauler permitted to dispose on said Sanitary Land Fill shall be given a key to said land fill, and said commercial hauler may enter said premises at any time for the purpose of disposal. Said commercial hauler so entering shall be charged with the obligation of closing and locking said gate, and with not permitting any one other than the commercial hauler to enter while said hauler is engaged in disposal.

Section 6. Revocation of permit

The Board of Trustees of the Village of Palmyra may revoke the permit of any person violating any of the rules and regulations set forth hereinabove, and, commence a proceeding under the applicable statutes against any person disposing on said premises without a permit. The above amendment shall become effective immediately.

Treasurer

land fill from June 1, 1970 until and including  
May 31, 1971 providing the monthly fee of thirty-  
five Dollars (\$35.00) or a total of four hundred  
Twenty Dollars (\$20.00) has been made each month.  
Said commercial haulers may, upon application, ob-  
tain permits or "stickers" for dumping in each  
subsequent year upon similar application to the  
Clerk of the Village of Palmyra and payment of the  
aforesaid fee. Subsequently issued permits or  
"stickers" shall be valid only during the period  
June 1st to and including May 31st of each year  
for which issued.  
Prior to obtaining said permit, the commercial  
hauler must file with the Clerk a list of his  
customers as of the date of filing.

Section 3. Prohibited Refuse

No person shall dispose of any of the following

refuse:

- (a) Refuse other than that having its origination point within the Town or Village of Palmyra.
- (b) Rubber, plastics, or solvents.
- (c) Poisonous acids, infected materials, dead animals, or parts thereof, or explosives.
- (d) Stumps, tree trunks, tree limbs, and brush except at the direction of the Attendant.
- (e) Paper or paper products unless bound and tied in a manner suitable to prevent dispersal by wind and elements.

Section 4. Disposal Area

No person shall dispose of refuse on the Sanitary Land Fill except by entering the gates through the fence. No person shall dispose of refuse by throwing over the fence on the Sanitary Land Fill Site.

Land Fill from June 1, 1970 until and including May 31, 1971 providing the monthly fee of ~~Thirty~~ Five Dollars (\$35.00) or a total of Four Hundred Twenty Dollars (\$420.00) has been made each month. Said commercial haulers may, upon application, obtain permits or "stickers" for dumping in each subsequent year upon similar application to the Clerk of the Village of Palmyra and payment of the aforesaid fee. Subsequently issued permits or "stickers" shall be valid only during the period June 1st to and including May 31st of each year for which issued.

Prior to obtaining said permit, the commercial hauler must file with the Clerk a list of his customers as of the date of filing.

### Section 3. Prohibited Refuse

No person shall dispose of any of the following refuse:

- (a) Refuse other than that having its origination point within the Town or Village of Palmyra.
- (b) Rubber, plastics, or solvents.
- (c) Poisonous acids, infected materials, dead animals, or parts thereof, or explosives.
- (d) Stumps, tree trunks, tree limbs, and brush except at the direction of the Attendant.
- (e) Paper or paper products unless bound and tied in a manner suitable to prevent dispersal by wind and elements.

### Section 4. Disposal Area

No person shall dispose of refuse on the Sanitary Land Fill except by entering the gates through the fence. No person shall dispose of refuse by throwing over the fence on the Sanitary Land Fill Site.

"Commercial Handler" shall mean a person who regularly hauls for hire on the basis of an independent contractual relationship.

Section 5. Persons Entitled to the Use of the Public Sanitary

Land Will Shall be and is hereby Amended to Read

As follows as of June 1, 1970

No person other than those who are residents of the Town of Palmyra and Village of Palmyra displaying a permit or "sticker" on the windshield of the transporting vehicle shall dispose of refuse on said sanitary land fill. Any person, other than a commercial handler, who is a resident of the Town of Palmyra or Village of Palmyra, or business association or corporation with its main office and principal place of business located in the Town or Village of Palmyra, may, upon application, and payment of one dollar (\$1.00), obtain a permit or "sticker" from the Clerk of the Village of Palmyra. The permit or "sticker" shall be valid permission to dispose on said sanitary land fill from June 1, 1970 until and including May 31, 1971 at which time application must be again made for a "current sticker" for dumping and similar application may be made to the Clerk of the Village of Palmyra by payment of the aforesaid fee. Subsequently issued permits or "stickers" shall be valid only during the period of sunset to and including May 31st of each year for which issued. Commercial Handlers may, upon application, and payment of thirty-five Dollars (\$35.00) Per Month, obtain a permit or "sticker" from the Clerk of the Village of Palmyra. The permit or "sticker" shall be valid permission to dispose on said Sanitary

"Commercial Hauler" shall mean a person who regularly hauls for hire on the basis of an independent contractual relationship.

Section 2. Persons Entitled to the Use of the Public Sanitary

Land Fill Shall be and is Hereby Amended to Read  
As follows as of June 2, 1970

No person other than those who are residents of the Town of Palmyra and Village of Palmyra displaying a permit or "sticker" on the windshield of the transporting vehicle shall dispose of refuse on said sanitary Land Fill. Any person, other than a commercial hauler, who is a resident of the Town of Palmyra or Village of Palmyra, or business association or corporation with its main office and principal place of business located in the Town or Village of Palmyra, may, upon application, and payment of one dollar (\$1.00), obtain a permit or "sticker" from the Clerk of the Village of Palmyra. The permit or "sticker" shall be valid permission to dispose on said Sanitary Land Fill from June 1, 1970 until and including May 31, 1971 at which time application must be again made for a "current sticker" for dumping and similar application may be made to the Clerk of the Village of Palmyra by payment of the aforesaid fee. Subsequently issued permits or "stickers" shall be valid only during the period of June 1st to and including May 31st of each year for which issued.

Commercial Haulers may, upon application, and payment of Thirty-Five Dollars (\$35.00) Per Month, obtain a permit or "sticker" from the Clerk of the Village of Palmyra. The permit or "sticker" shall be valid permission to dispose on said Sanitary

WHEREAS, the Village of Palmyra is the owner of certain lands situated on the Garney Road in the Town of Palmyra which have been used for a sanitary land fill or dumping operation, and

WHEREAS, it is the desire by the Board of Trustees to operate said sanitary land fill in such a manner as to be a benefit to the health and welfare of the people of the Village of Palmyra and the Town of Palmyra, and

WHEREAS, in order to accomplish the foregoing the Board of Trustees is of the opinion that proper rules and regulations be adopted and promulgated,

NOW, THEREFORE, BE IT RESOLVED that, having a proprietary interest in said sanitary land fill or dump located on the Garney Road in the Town of Palmyra, the Board of Trustees does hereby adopt and promulgate the following rules and regulations in relation to the use of and operation of the said sanitary

land fill or dump:

Section I Definitions

As used in these Rules and Regulations, "Persons" shall mean an individual, association, partnership, or corporation.

"Refuse" shall mean and include garbage, trash,

rubbish, and similar used or waste materials.

"Dispose" shall mean to dump, deposit, throw,

throw away by person or by another with the

consent or approval, active or passive, of a

person in a position to control or prevent the same.

"Public Sanitary Land Fill" shall mean the lands

owned by the Village of Palmyra used for disposal

purposes and located on the Garney Road in the

Town of Palmyra.

"Attendant" shall be a person employed either by

the Town or Village of Palmyra as its agent to care for the Public Sanitary Land Fill.

WHEREAS, the Village of Palmyra is the owner of certain lands situated on the Garnsey Road in the Town of Palmyra which have been used for a sanitary land fill or dumping operation, and

WHEREAS, it is the desire by the Board of Trustees to operate said sanitary land fill in such a manner as to be a benefit to the health and welfare of the people of the Village of Palmyra and the Town of Palmyra, and

WHEREAS, in order to accomplish the foregoing the Board of Trustees is of the opinion that proper rules and regulations be adopted and promulgated,

NOW, THEREFORE, BE IT RESOLVED that, having a proprietary interest in said sanitary land fill or dump located on the Garnsey Road in the Town of Palmyra, the Board of Trustees does hereby adopt and promulgate the following rules and regulations in relation to the use of and operation of the said sanitary land fill or dump:

#### Section 1 Definitions

As used in these Rules and Regulations, "Persons" shall mean an individual, association, partnership, or corporation.

"Refuse" shall mean and include garbage, trash, rubbish, and similar used or waste materials.

"Dispose" shall mean to dump, deposit, throw, throw away by person or by another with the consent or approval, active or passive, of a person in a position to control or prevent the same.

"Public Sanitary Land Fill" shall mean the lands owned by the Village of Palmyra used for disposal purposes and located on the Garnsey Road in the Town of Palmyra.

"Attendant" shall be a person employed either by the Town or Village of Palmyra as its agent to care for the Public Sanitary Land Fill. "C

- Flag Pole:** Trustee Mierke agreed to check on who rightfully owns the Steel Pole land mark, in that many citizens seem to feel that it should be used to fly the flag.
- Plan. Brd.:** A letter received from the Planning Board recommends that the C-3 Area be revised. A date for a public hearing has been set for June 19, 1970 at 7:00 P.M.E.D.S.T.
- Gilfus Contract:** Trustee Leysath agreed to contact the Town of Palmyra to inform them that it would behoove them to pick up part of the raise of S. Gilfus, as caretaker of the Village Dump.
- Police Car Washing:** Clerk informed the board that the Police car is being washed generally 2 times a week at Contant's for a cost of \$3.50 each time. At this rate it would cost about \$500.00 a year, money which has not been budgeted for such a purpose. Trustee Leysath volunteered to check the matter out with Trustee Sinclair.
- Remove Sewer Fee:** The following resolution was made by Trustee Mierke, 2nd by Trustee McGuire and carried:  
RESOLVED: Whereas the vacant house at 112 William Street, owned by W.A.McNulty, is to be demolished and in that the sewer rate on this property has been \$30.24, be it resolved that the sewer rent be removed as of 6/1/70.
- Yield Sign:** Discussion seemed to indicate that the Yield Sign at the corner of Walker and Cuyler should be changed to a Stop Sign. In addition, it might be well to consider a Stop Sign at the corner of Cuyler and East Charlotte or at the spot in front of Finley Hunt's property on East Charlotte, or both. Clerk was instructed to so advise Ray Smith of the Highway Dept.
- Conf. of Mayors' Letter:** Mayor Nussbaumer read a letter that he had received from the Conference of Mayors which would indicate that it might be possible within the next few years to solicit the aid of the State Government for sharing the cost of police protection.
- Adjourn:** Mayor Nussbaumer adjourned the meeting at 10:30 P.M.

Theresa P. Otte, Clerk Treasurer

May 25, 1970

3M7AR

vehicle in better condition for such a conversion which would include installing power steering, new tires. The company who would or might do this work, before proceeding, would like to check the rear axle to determine if there is sufficient strength for carrying such a load. The board suggested to Chief O'Brien that if there is no cost involved in having the piece of equipment tested, that it would be agreeable to send it to Young Fire Equipment for inspection.

**Cemetery Charges:**

A discussion relative to the cemetery charges seemed to be in order. In comparing the Village of Palmyra rates with some other cemeteries, it would be reasonable to raise the rates to the following:

Opening Graves	from \$50.00 to	\$65.00
Use of Vault with Burial in Palmyra Cemetery	from \$15.00 to	<u>NO CHARGE</u>
Use of Vault with Burial Outside	from \$15.00 to	\$20.00
Single Graves	from \$75.00 to	\$85.00
2 Grave Lots	from \$150.00 to	\$170.00
4 Grave Lots	from \$325.00 to	\$340.00

**Resolution to raise Cem. Rates:** The following resolution was offered by Trustee McGuire, 2nd by Trustee Leysath and carried:

**RESOLVED:** That in accordance with current fees in other cemeteries, be it resolved that as of June 1, 1970 the above charges be effective.

**Wm. Kaveny: Raise:** The following motion was made by Trustee Leysath, 2nd by Trustee McGuire and carried:

**RESOLVED:** Whereas William Kaveny was appointed caretaker of the Village of Palmyra Cemetery at a weekly salary of \$125.00 for 40 weeks, and in that he has proved to be of valuable and efficient assistance, be it resolved that his salary be increased to \$130.00 per week as of 5/25/70 for the balance of the working time in the cemetery.

**Tools in Cemetery:** Wm. Kaveny had informed Trustee Leysath that there seems to be a dearth of tools in the Cemetery Department. On motion by Trustee Leysath, 2nd by Trustee Sinclair, a fund of \$100.00 for the purchase of tools along with a locked spot for keeping same is hereby appropriated. Motion carried.

**Storm Sewer:** The residents of Crescent Drive had informed the village board that before it would be possible for James Cleason to clean up the weeds on the property owned by him, it would be the responsibility of the village to clean out the storm sewer. The Board agreed to check on this on Memorial Day.

**Laurentian Dr.:** Mayor Nussbaumer informed the board that the Bolands on Laurentian Drive are having their septic tank cleaned periodically about every two months.

**Urban Renewal:** Mayor Nussbaumer advised that with the limited work at this time, William Roche, Director of the Urban Renewal Agency, advised that he would be glad to give space in his office (Roche-Kimberly at 138 East Main Street) for the Urban Renewal Office. Trustee Mierke suggested that he would be glad to check on the possibility of collusion for use of his office.

**Dump:** Mayor Nussbaumer advised that he had met with the Town Supervisor, Ellsworth Bedette, but there were no others present from either the Village or Town of Newark. Consequently, it was not feasible to come to any conclusions relative to a joint operation of a dump.

- N.Y.S.: Elec.** Robert Fanning and William Wilson, representatives of the New York State Electric and Gas Co., advised that the village can rightfully charge a 1% utility tax. A public hearing would be necessary. Mr. Fanning advised that the tax is based on the gross revenue received by the Gas & Electric from the village residents which amounts to approximately \$700,000.00 per year which would net the village about \$7,000.00 payable quarterly. Mr. Fanning further advised that a resolution properly passed by the village board would be a requisite with a public hearing to follow.
- Street Lights:** With the possibility of receiving this additional revenue of \$7,000.00, it might be assumed that it would be apropos to completely up-date the village lighting scheme as outlined several years ago. To completely do this an approximate expenditure of \$7,000.00 would be needed in the lighting fund, A5182.4, per year or a total expenditure of approximately \$21,000.00 rather than \$14,000.00 as appropriated. Mr. Fanning and Mr. Wilson explained that it might be to the advantage of the village to seriously consider this in that to schedule the work and complete it would involve quite some time. Therefore, as soon as the utility tax may become effective, it may be feasible to so instruct the New York State Electric & Gas. (Newark, and Lyons have a utility tax.)
- E.Main from Church to Clinton** The following motion was made by Trustee Sinclair, 2nd by Trustee Leysath and carried:  
Resolved: That the New York State Electric and Gas be so advised to up-date the area between Church Street and Clinton Street on East Main Street as soon as work can be scheduled. In addition, poles may be painted a light green color to improve the decor of the downtown area.
- Sewer Bonds:** H.B.Nesbitt, Village Attorney, informed the board that it would be his suggestion that the board at this time seriously consider asking the assistance of a bank for their assistance in procuring the data that will be needed for financing the up-dating of the sewer plant. The following resolution was made by Trustee Leysath, 2nd by Trustee McGuire and carried:  
RESOLVED: WHEREAS, the Village of Palmyra will have need of a financial counsel in connection with the issuance of bonds and or anticipation notes to finance the updating of the sewage treatment plant to include chlorination, and WHEREAS, the Marine Midland Trust Company of Rochester, having a local office in the Village of Palmyra, which presently services the accounts of the Village of Palmyra,  
BE IT RESOLVED THAT the Village of Palmyra so instruct the Marine Midland Trust Company of Rochester to manage the financial needs of the Village of Palmyra in connection with the anticipated issuance of bonds.
- Bids:** Attorney Nesbitt advised that in reading the legal section of the village newspaper relative to request for bids for a truck for the Village of Palmyra, there was no mention of a "non-collusive certificate" which should be attached to the bids signed by the bidder. Clerk was instructed to incorporate such a notice with future bids.
- Executive Session:** Motion was made by Trustee McGuire, 2nd by Trustee Leysath, at 8:25 P.M. to move into executive session.
- Re-convene:** Motion by Trustee Mierke, 2nd by Trustee Sinclair that the meeting re-conven at 8:45 P.M.
- Leaf Blower:** Trustee Mierke showed a brochure of a leaf blower which would facilitate the removal of leaves in the fall. Cost of same would be approximately \$5,500.00. Board agreed to consider at some future budget.
- Convert Maxim Ladder** James O'Brien, Fire Chief, discussed with the board the possibility of converting the Maxim Ladder Truck to a 1,000 gallon tanker pumper. Several things need to be done to put this

Mayor D. Nussbaumer, Trustees, P. Mierke, D. McGuire and D. Sinclair.  
Attorney, Henry B. Nesbitt.

**J.Martin:** A letter received by H.B.Nesbitt from John E. Blyth, of Wiser Laurentian Drive Shaw, Freeman, VanGraafeiland, Harter & Secrest, Attorneys at Law in Rochester and representing Mr. John Martin, owner of the Laurentian Drive area, indicated that the Village of Palmyra would reimburse Mr. Martin for his expenses in dedicating the street to the village. Discussion by the board members reaffirmed the interpretation of the clerk from the minutes of April 27, 1970 that the **VILLAGE WOULD NOT REIMBURSE** Mr. Martin for any of his expenses. An estimated figure of \$100.00 for a Title Search was mentioned at that time but was to be the financial responsibility of Mr. Martin. Clerk was instructed to so advise Mr. Blyth.

**Adjourn:** Mayor Nussbaumer adjourned the meeting at 6:20 P.M.

Theresa P. Otte, Clerk Treasurer

\* \* \* \* \*

May 25, 1970

Regular Board Meeting                      Board of Trustees                      7:00 P.M.

- Present:** Mayor David M. Nussbaumer, and Trustees David McGuire, Paul Mierke, Donald Sinclair, and Donald Leysath.
- Vouchers:** Motion by Trustee McGuire, 2nd by Trustee Sinclair and carried to approve payment of the vouchers as presented.
- Mem.Day Parade:** Mayor Nussbaumer advised the board that all board members are invited to participate in the Memorial Day Parade with participants assembling at 9:00 A.M. at the Canandaigua Elementary School.
- Roche-: Profes. Bldg.** William Roche, contractor and owner of the proposed Professional Bldg., on East Main Street between the property of Blue Ribbon Dairy and Wm. Herman, has need of both a water line and sewer line, neither of which the village had anticipated installing this year. The consensus of opinion seemed to be that it would be apropos to discuss with Mr. Roche an equitable figure of \$2,000.00 for reimbursement to the village to extend the sewer line to his east property line, thereby eliminating any possibility in the future of ripping up the blacktop drive he intends to install. Trustee Mierke advised that he would contact Mr. Roche and discuss the matter.
- Water Fountain:** Fire Chief James O'Brien, suggested the possibility of installing a water fountain for use of the fire department in the front firehouse area. Motion by Trustee Mc Guire, 2nd by Trustee Sinclair and carried to grant this request.
- Garlock: Use of Vil.Dump** Mayor Nussbaumer informed the board that A. McKeown had contacted him relative to placing the shipping crates, paper, etc. on the village dump. Trustee Sinclair volunteered to talk further with Mr. McKeown suggesting a fee of \$500.00 per year for use of the dump, or until such time as the New York State Department of Health might order the dump closed. (At this writing, the State Health Dept. has decreed that Garlock, Inc. cease burning in their incinerator, therefore, the need to use the Village of Palmyra dump.)

**Present:** Mayor David Nussbaumer and Trustees Donald Sinclair, Paul Mierke, and David McGuire. Absent, Trustee Donald Leysath. Attorney, Henry B. Nesbitt.

**E.Main: Wat.& Sewer** Mayor Nussbaumer informed the board that a letter received from Woodward Associates, Consulting Engineers, revealed the following estimated costs for water and sewer lines from Throop Street east to Kent Street, work to be contracted:

- 8" sanitary sewer from end of existing sewer to west boundary of Roche-Kimberly property \$3,900.
- 8" sanitary sewer from end of existing sewer to east boundary of Roche-Kimberly property 6,500.
- 12" water main from Throop Street to west boundary of Roche-Kimberly property 6,000.
- 12" water main from Throop Street to east boundary of Roche-Kimberly property 8,300.
- 12" water main from Throop Street to Kent Street down East Main Street 28,000.

Cost estimates for Water Mains include installation of hydrants.

**Resolution:** Following a discussion of the cost estimates, Trustee McGuire made the following resolution which was seconded by Trustee Sinclair:

**RESOLVED:** Whereas Roche-Kimberly are erecting a Professional Building on East Main Street, between the property of Blankenberg Dairy on the west and Walter Herman on the east at approximately 608 East Main Street, south of the intersection of Routes #31 and 21, and,

**WHEREAS:** There is neither water nor sewer available for connection by the proposed building,

**BE IT RESOLVED THAT:** The Village of Palmyra accept the estimated cost figures of K.G.Woodward Associates for water and sewer lines as follows:

- 8" sanitary sewer from end of existing sewer to east boundary of Roche-Kimberly property \$6,500.
- 12" water main from Throop Street to Kent Street down East Main Street \$28,000.

Cost estimates to include installation of hydrants.

**BE IT FURTHER RESOLVED THAT:** the payment for the installation of these services be made from the Capital Reserve Fund Water Account and the Capital Fund Sewer Account.

The above resolution was voted upon by voice vote and each of the trustees present voted as follows:

Mayor Nussbaumer	Aye
Trustee Sinclair	Aye
Trustee Mierke	Aye
Trustee McGuire	Aye

Motion was unanimously carried.

**Adjourn:** Meeting was adjourned at 5:50 P.M.E.D.S.T.

**Executive Session - - - -**

**Re-Convene:** Special meeting reconvened at 6:15 P.M.E.D.S.T. at which were present:

 5/11/70

BE IT RESOLVED THAT:

In as much as the interest and concern of the citizens and Governments of the Incorporated Village and Town of Palmyra New York State has been and will continue to be hereafter and forevermore the growth, development and improvement of their community;

And,

In as much as a concerned group of citizens of the Town and Village of Palmyra New York State has undertaken, through their interest and by their efforts to plan, organize and direct a campaign and associated projects to effect certain improvements, renovations and general maintenance in the particular area and vicinity of Main Street, Palmyra New York State;

And,

In as much as the organized and duly elected bodies of Government desire to encourage and support such community involvement spirit and enterprise;

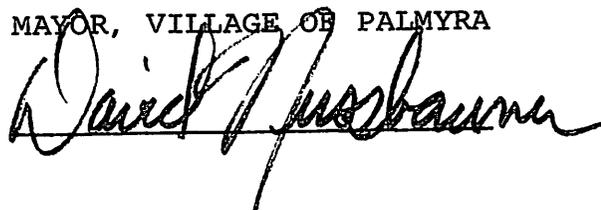

LET IT BE RESOLVED therefore, that the week of May 11 through 17, 1970 be proclaimed Palmyra Spring Clean Up week, jointly by the Village and Town Boards, Palmyra New York State.

Issued this 11th Day of May 1970:

SUPERVISOR, TOWN OF PALMYRA

MAYOR, VILLAGE OF PALMYRA

BE IT RESOLVED THAT:

the village supplies the meters when new houses are built. When the contract comes up for renewal in September, 1971, it would behoove the village and the town to negotiate a contract that might repay the village at least the use of the meters.

**3rd Man  
for Wat.  
& Sew.?**

Hiram Van Etten informed the board that extra tests will be required by the New York State Department of Health, some of which are being done now. To properly make the required tests, a man must devote his full day to the project as it is not something that can be left to answer another call. It would, therefore, be his suggestion that the board seriously consider the appointment of a third man for the water and sewer plant. It would be Mr. Van Etten's suggestion that a chemical be used to clean the digester as soon as possible rather than skim the top with poles until the sludge is reduced and will allow room for more. The board agreed to try a chemical at this time.

**Clean  
Digester:**

Trustee Mierke advised that he had received a complaint from George Contant that kids were breaking the tile on his roof next to the Village Hall. Access to his roof is by way of a Fire Escape on the west wall of the Village Hall leading out from the upstairs Community Center. Before removing it, it would be necessary to check with Fire Chief O'Brien to determine if such fire escape is mandatory in this spot.

**Fire  
Escape:**

**Add Unpd.:  
Wat.&Sew.  
Bills to  
Taxes**

The following resolution was made by Trustee McGuire, 2nd by Trustee Sinclair and carried to add unpaid water and sewer bills to taxes as of 6/1/70.

**RESOLVED:** Whereas the Water Cashier, Norma Kruger, had advised that unpaid water and sewer bills as of 5/1/70 amounted to \$1,807.33, and, Whereas, in accordance with State Village Law, such unpaid items become a lien on the property, be it resolved that the water cashier turn over to the clerk-treasurer these items for inclusion in the taxes to be levied as of 6/1/70.

**And be it further resolved:-**Whereas the Clerk Treasurer, Theresa P. Otte, advised that an unpaid sidewalk bill in the amount of \$26.25 was outstanding, and in accordance with State Village Law such items become a lien on the property, be it resolved that the unpaid sidewalk bill in the amount of \$26.25 be added to the tax of the property owner.

**Police  
Report:**

The Police Report for the month of April, 1970 was reviewed and on motion by Trustee McGuire, 2nd by Trustee Mierke was accepted as presented. The report indicated that of the 19 motor vehicle arrests, there were 9 apprehended for speeding and 3 failed to keep right. Of the 8 Criminal matters handled by the department, 4 were for petit larceny. Total Fines and Bail Forfeitures collected during the month amounted to \$165.00 and parking meter fees netted the department \$33.00. In addition to the motor vehicle and criminal matters, 114 complaints were investigated by the police department along with assisting outside departments approximately 7 times and investigating 6 accidents.

**Proclaim.  
Clean-Up  
Week:**

The attached resolution was made by Trustee McGuire, 2nd by Trustee Mierke and carried to designate the week of May 11 through May 17, 1970 as Clean-Up Week, and such proclamation so signed by the Mayor of the Village of Palmyra, David M. Nussbaumer and Supervisor of the Town of Palmyra, Ellsworth H. Bedette.

**Baptist:  
Church  
Request**

The Baptist Church of the Village of Palmyra requested the use of the Village Park on Saturday, June 13, 1970 so that they might have an ice cream social. The board agreed to grant their request.

**Adjourn:**

Meeting was adjourned by Mayor Nussbaumer at 10:40 P.M.

Minutes taken by Norma Kruger, Deputy Clk.  
Typed by Theresa P. Otte, Clerk Treas.

**Narcotic Control Representative** : Mr. Holt, of the Rochester Narcotic Commission, at the invitation of Henry B. Nesbitt, in behalf of the Village Board, spoke relative to the facets of drug addiction, relating that there are different phases of the problem. Generally addicts are kept for a period of 9 months in a rehabilitation center. It is now possible to license heretofore private facilities for handling the problem. Research is constantly continuing on methods of education, drugs and rehabilitation. The Narcotic Commission will go into schools to talk to teachers, parents and children. Experience has proven that a calm approach in attempting to educate the student is the best procedure, stressing the side effects of drug addiction. At the present time, a fairly accurate figure indicates that there are 63,000 addicts. In order to educate the public, there are professional training groups which will talk with doctors, church groups and any other groups who ask for assistance.

**No. on Council** : If a council is to be set up, there should be one attorney, one physician and one clergyman as well as someone from the school system.

**Public Info. Commission** : The following were suggested means of public information: - -  
 1) Publicity - newspaper or radio station; 2) Youth Activities Commission --all youth honor students; 3) School Education Program - could work with the school, having available literature on the subject; 4) Adult Education Program - to help talk with adults; 5) Counseling - outside help might be needed.

A general discussion ensued in which it was learned that there are funds available for the establishment of a council up to \$1,000.00 (Note: Since this is a funded program, we are assuming that it would entail an expenditure on the part of the Village in the amount of \$2,000.00 with supporting vouchers to the State, after which the State would reimburse the village \$1000.00, much like the Program for Youth.) The board agreed to delve further into the matter and notify Mr. Holt if a formation of a council is desired.

**Wm. Roche Professional Bldg.** : William Roche, contractor for the Professional Building on East Main Street between the property of Blankenberg Dairy and William Herman and opposite the intersection of Routes #31 and 21, discussed with the board the installation of water and sewer lines to his building. It is to be assumed that there will be 130-140' back to the lot line from the last manhole for sanitary sewer connection as per Dwg. #103--2. It was proposed that the sewer line be extended down the west side of their property line and connect into the village. Hwy. Foreman Ray Smith is to check on this for the best possible solution. Before proceeding further, cost estimates for both a water and sewer line must be obtained from K.G. Woodward Associates, Webster, N.Y. Clerk was asked to contact Mr. Woodward for information relative to a 6" water line from Throop Street to both the west and east lot lines of Roche-Kimberly as well as from Throop Street to Bucknam's garage.

**Urban Renewal** : William Roche, Director of the Urban Renewal Agency, advised that the funds (working capital) of the agency were about depleted and until federal funds were forthcoming, he would like to negotiate with the village for a loan of \$1,500.00 or \$2,000.00 to be paid back in 6-8 weeks when funds would be sent from the government. The board advised him that undoubtedly this could be arranged with the proper resolution and voucher at the next regular board meeting.

**H. VanEtten** : Hiram Van Etten, Operator of the Village of Palmyra Water and Sewer Plants advised the board that it would be his suggestion that a charge for water meter be made at the time a person or contractor applies for a new water service. The present charge for a new water service is \$150.00 to the curb stop, but there is no charge for the meter other than for the meter rental at either \$.50 or \$.75 per quarter.

**Town Meter Rents** : Under the present contract with the Town of Palmyra, the 4 Water Districts, Maple Avenue, Division Street, Johnson Road and Canandaigua Road, reimburse the village at the rate of \$.90 per 100 cubic feet of water consumed per quarter but the village does not receive the water meter rents even though

NOTICE OF PUBLIC HEARING

PUBLIC NOTICE is hereby given that there has been presented to the Board of Trustees of the Village of Palmyra, New York, on April 20, 1970, Local Law No. 1 of 1970 and shall be entitled as "Local Law No. 1 of 1970", Regulating the Use and Occupancy of Unsafe Buildings.

The said proposed local law provides for the inspection of buildings designated by the Board of Trustees as being possibly dangerous, notice to owners setting forth unsafe conditions, and ordering the correction thereof, applications to the Supreme Court, surveys of buildings, assessment of costs and expenses, and provision for penalties.

Therefore, pursuant to statute, the Board of Trustees of the Village of Palmyra will hold a public hearing on the aforesaid Local Law in the Justice Court Room in the Village Hall, on Main Street, in said Village, on the 11th day of May, 1970 Eastern Daylight Saving Time, at 7:30 P.M. at which time all persons will be heard.

Regular Meeting

Board of Trustees

7:00 P.M.

Present: Mayor David M. Nussbaumer and Trustees Paul Mierke, Donald Sinclair, and David McGuire. Absent, Trustee Donald Leysath.

Vouchers: On motion by Trustee McGure, 2nd by Trustee Sinclair and carried, approval for payment of the vouchers as presented was made.

Chf. Henry Request: Police Chief Donald Henry informed the board that he would like to have someone second in command in his office. It would be his suggestion that Peter Stipe be so appointed. The following motion was made by Trustee McGuire, 2nd by Trustee Sinclair and carried:

RESOLVED: That at the request of Chief Henry, Peter Stirpe, who has been with the Police Department for the last 3 months and had had previous police experience, shall be called

P.Stirpe Acting Sergeant in Name Only until such time as he has been with the department the required length of time to so qualify for the position under Civil Service.

Truck Bids: Bids for a 1/2 ton pickup 1970 model for the Water Department in accordance with Proof of Publication 4/30/70 were opened at this time:

Palmyra Motors, Palmyra, N.Y. With Trade-In \$1850. Without Trade-In \$2185.

Roy Fransworth, Shortsville, N.Y. With Trade-In \$2070. Without Trade-In \$2370.

U.W.Sherburne, Palmyra, N.Y. With Trade-In \$1798. Without Trade-In \$2171.18

Marganti-Mahon, Newark, N.Y. With Trade-In \$2300. Without Trade-In \$2550.

McLouth Chevrolet, Macedon, N.Y. With Trade-In \$1700. Without Trade-In \$2189.

The following motion was made by Trustee McGuire, 2nd by Trustee Mierke, and carried:

RESOLVED: Whereas the proper advertisements had been made to request bids for a 1970 pick-up 1/2 ton truck for the water department,

BE IT RESOLVED THAT: the low bid of McLouth Chevrolet, Macedon, New York in the amount of \$1,700.00 with a trade-in of the 1965 1/2 ton for water truck be accepted.

Unsafe Bldg. Hearing : Notice for a Public Hearing on the proposed Unsafe Building Ordinance having been advertised for the proper length of time in the local newspaper for May 11, 1970 at 7:30 P.M., Mayor Nussbaumer asked if there be any discussion relative to the proposed ordinance. There being none the following resolution was made:

Unsafe Bldg. Ord. Passed : RESOLVED: That the Village of Palmyra adopt the Unsafe Building Ordinance as drawn and so instruct Attorney Henry B. Nesbitt to prepare the proper forms for submission to the Board of Election and the Department of Audit & Control in Albany. The resolution was made by Trustee McGuire, 2nd by Trustee Sinclair and unanimously carried.

NOTICE OF PUBLIC HEARING PUBLIC NOTICE is hereby given that there has been presented to the Board of Trustees of the Village of Palmyra, New York, on April 20, 1970, Local Law No. 1 of 1970 and shall be entitled as "Local Law No. 1 of 1970", Regulating the Use and Occupancy of Unsafe Buildings.

The said proposed local law provides for the inspection of buildings designated by the Board of Trustees as being possibly dangerous, notice to owners setting forth unsafe conditions, and ordering the correction thereof, applications to the Supreme Court, surveys of buildings, assessment of costs and expenses, and provision for penalties.

Therefore, pursuant to statute, the Board of Trustees of the Village of Palmyra will hold a public hearing on the aforesaid Local Law in the Justice Court Room in the Village Hall, on Main Street, in said Village, on the 11th day of May, 1970 Eastern Daylight Saving

Public Information Meeting

Pal-Mac Elementary School

Cafeteria

7:30 P.M. E.D.S.T.

- Present:** Mayor David Nussbaumer, Board of Trustees Paul Mierke, Donald Leysath, and David McGuire. Absent Trustee Donald Sinclair.  
Urban Renewal Agency Director, William Roche.  
Interested Citizens, approximately 3.
- Subject:** Urban Renewal
- Agcy. Dir. W. Roche:** Mayor D. Nussbaumer introduced William Roche, Agency Director of the Village of Palmyra Urban Renewal Program. William Roche prefaced his remarks by mentioning that in essence the Urban Renewal Program is approaching a third phase, the first was the Planning of Urban Renewal, the 2nd was the Acceptance of the Neighborhood Development Plan, which had to be scrapped in that applications far exceeded the funds, and now the third phase or back to the original plan, which has been revised. Mr. Roche commented that there has been an improvement on Main Street in the last three years, an improvement initiated by the owners of the property. In addition, there has been a marked upsurge of interest by individuals who wished to make their thoughts known, rather than being acquiesce with a diffident and unconcerned attitude, and allow the future to unfold without voicing an opinion.
- Codes Passed:** In the last 3 years, he continued, the Village of Palmyra has passed and adopted the Zoning, Building, Housing, Fire and Plumbing Codes along with appointing a Zoning Officer to enforce the codes. In addition, the village anticipates within the next year to improve the sewerage treatment plant to include chlorination of the effluent.
- Grant Assigned:** Funds in the amount of \$900,000.00 have been allocated in the name of the Village of Palmyra of which the Federal Government would contribute 3/4, the State of New York, 1/8 and the Village of Palmyra would contribute 1/8.
- Survey & Planning:** Agency Director Roche further commented that in his opinion in the last 44 months, there has been all the survey and planning that was needed. It is now time to promote some execution and acquisition. The original plot contained 12 acres of which 1/2 seemed to revolve around a heated argument. With the introduction of the Neighborhood Development Plan, a "bite-size" in comparison to the original plan, it appeared that the Urban Renewal Agency could have gone into live action, but as reiterated previously, sufficient funds were not available or forthcoming from the government. However, the government has assured the agency that since application was made for the N.D.P., the agency would not be penalized but would be given a preference in receiving the original funds so allocated in our name.
- Acquisit. Budget:** The present acquisition budget for lands in question amounts to approximately \$700,000.00 Separate appraisals are given relative to the lands in question. Already 2 have been done and undoubtedly a third would be undertaken, he commented. In summation, Mr. Roche continued, in all probability something will be done within the next 8 months to acquire the property on the north side of Canal Street.
- Adjourn:** Mayor Nussbaumer adjourned the information meeting at 8:45 P.M.

Theresa P. Otte, Clerk Treas.
