Santa's

Trustee
Gilmore:

Trustee Gilmore brought before the VB a "dog" problem between a neighbor @ 401 & 403 Canal St. (Mrs. Marilyn Marcheski) & Mr. R. Case (VOP Animal Control Officer). The need for a fence was emphasized by Mrs. Marcheski for protection of her dogs. The VB discussed the problem but did not arrive @ a solution acknowledging that Mr. Case does perhaps contain other dogs @ his residence on occasion. Mayor sd. he was under the impression that dogs picked up by Mr. Case were transported to Lollypop Farm. No action taken.

Trustee
Wooden:

Trustee Wooden felt that Hwy. Dept. performed fairly well during big weekend snowstorm. He sd. that the Hwy. Supt. recommended closer observance of Dar-Lind Lane re snowplowing/open area & no trees, etc. to prevent wind blowing snow. Obtaining easements re sidewlk. on Canandaigua St. west leading to Triou Estates incomplete due to absence of one landlord - another did not want sidewlks. according to Trustee Wooden. VB discussion on whether or not a State highway - it was stated that it is a "touring" route and 'belongs to VOP.' VOP plows sd. street. VOP notifies State when digging required...as for easement it does not extend back as far as sidewlks. wld. go, per Mayor. Trustee Wooden stated that sidewlks. cld. be placed closer to street although more dangerous. No action by the VB.

WC Planning Bd. does not meet until 12/13/89 (combining November/December mtgs.) - on prior application re setbk., WC had no objections - inconceivable that they wld. object to sideyrd. Disc. on the severe curve, etc. Traffic survey showed extreme amt. of traffic - J. Edinger sd. traffic light a good idea - wld. take about five (5) yrs., the cost of which wld. be approx. \$100,000. If school/VOP wld. share cost of funding, may get one in two (2) yrs. @ a cost of \$25,000. ea. according to J. Edinger. He sd. a petition drive wth. massive amts. of signatures might help.
