Resolution offered by Trustee Webster who moved its adoption and seconded by Trustee Contant: That Donald A. Dohse, Acting Village President be and he hereby is authorized and directed to execute permit to Town of Palmyra permitting dumping privileges, in accordance with our informal understanding with the Town of Palmyra.

The Clerk was directed to contact Mr. Hanagan relative to repairing sidewalk in front of Mrs. McGee's residence on Washington Street.

A letter received from Mr. Spencer L. Knapp advising the Board of the condition in front of Mrs. McGee's property on Washington Street was ordered received and filed.

A letter received from Mr. Henry E. Mitchell advising the Board of a sidewalk accident which occurred on November 6th, 1952 in front of Talbot's Department Store causing a claim of \$ 50.00, said claim being paid by the Insurance Company, and also advising that this is the second sidewalk claim since August 9th, 1952 and suggested it might be well to check the sidewalks of the business section at least and possibly eliminate some of the spots where the walks are in poor condition. This would tend to forestall a possible loss of our credit experience.

Applications for positions as Patrolmen were received from Mr. Leon Paul Root 247 1/2 East Main St. and Mr. Jay Brown Market Street, Palmyra, N.Y. Both applications were ordered filed.

No further business appearing, the minutes were read and on motion by Mr. Fisk, seconded by Mr. Contant, same were approved.

On motion by Mr. Webster, seconded by Mr. Contant the meeting adjourned
at 9:50 P/M
