PROCUREMENT POLICY: The following procurement policy has been reviewed and hereby reapproved without changes/with the following italicized changes:
Chapter A206 Procurement Policy
[HISTORY: Adopted by the Board of Trustees of the Village of Palmyra 5-21-2001, as amended 2-4-2002. Amendments noted where applicable.]

Chapter 206 Procurement Policy

- § A206-1 **Adoption and intent.**
- § A206-2 **Procurement procedure.**
- § A206-3 **Procedures waived under certain circumstances.**
- § A206-4 **When effective.**

§ A206-1 **Adoption and intent.**

The Village of Palmyra does hereby adopt the following procurement policy which is intended to apply to all goods and services which are not required by law to be publicly bid.

§ A206-2 **Procurement procedure.**

- A. Price quotation and proposal requirements.

(1)

Purchases.

Estimated Amount of Purchase	Method
\$250 to \$999	2 verbal quotes
\$1,000 to <i>\$20,000</i>	3 written/fax quotations or written request for proposals

(2)

Public works contracts.

Estimated Amount of Public Works Contract	Method
\$250 to \$999	2 verbal quotes
\$1,000 to \$9,999	2 written/fax quotes
\$10,000 to \$35,000	3 written/fax quotes or written request for proposals

B. A good faith effort shall be made to obtain the required number of proposals or quotations. If the purchaser is unable to obtain the required number of proposals or quotations, the purchaser will document the attempt made at obtaining the proposals. In no event shall the failure to obtain the proposals be a bar to the procurement.

C. Documentation is required of each action taken in connection with each procurement.

D. Purchase contracts are awarded on the basis of “Best Value” rather than the Lowest Responsible Bidder,” with the exception of purchase contracts or contracts for services of public works subject to the “Prevailing Wage” requirements of Article 8 of the Labor Law. Documentation and an explanation is required whenever a contract is awarded to other than the lowest responsible offeror. This documentation will include an explanation of how the award will achieve savings or how the offeror was not responsible. A determination that the offeror is not responsible shall be made by the purchaser and may not be challenged under any circumstances.

§ A206-3 Procedures waived under certain circumstances.

Pursuant to General Municipal Law § 104-b, Subdivision 2f, the procurement policy may contain circumstances when, or types of procurements for which, in the sole discretion of the governing body, the solicitation of alternative proposals or quotations will not be in the best interest of the municipality. In the following circumstances it may not be in the best interests of the Village of Palmyra to solicit quotations or document the basis for not accepting the lowest bid:

A. Professional services or service requiring special or technical skill, training or expertise. The individual or company must be chosen based on accountability, reliability, responsibility, skill, education and training, judgement, integrity, and moral worth. These qualifications are not necessarily found in the individual or company that offers the lowest price and the nature of these services are such that they do not readily lend themselves to competitive procurement procedures. In determining whether a service fits into this category the Board of Trustees shall take into consideration the following guidelines: whether the services are subject to state licensing or testing requirements; whether substantial formal education or training is a necessary prerequisite to the performance of the services; and whether the services require a personal relationship between the individual and municipal officials. Professional or technical services shall include but not be limited to the following: services of an attorney, services of a physician, technical services of an engineer engaged to prepare plans, maps and estimates; securing insurance coverage and/or services of an insurance broker; services of a certified public accountant, investment management services; printing services involving extensive writing, editing or art work, management of municipality owned property; and computer software or programming services for customized programs, or services involved in substantial modification and customizing of prepackaged software.

B. Emergency purchases pursuant to § 103, Subdivision 4, of the General Municipal Law. Due to the nature of this exception, these goods or services must be purchased immediately and a delay in order to seek alternate proposals may threaten the life, health, safety or welfare of the residents. This does not preclude alternate proposals if time permits.

C. Purchases of surplus and secondhand goods. If alternate proposals are required, the Village is precluded from purchasing surplus and secondhand goods at auctions or through specific advertised sources where the best prices are usually obtained. It is also difficult to try to compare prices of used goods and a lower price may indicate an older product.

D. Goods and services under \$250. The time and documentation required to purchase through this policy may be more costly than the item itself and would therefore not be in the best interests of the taxpayer. In addition, it is not likely that such de minimis contracts would be awarded based on favoritism.

E. Purchase orders. Goods and services valued at \$500 or above will be contracted for through the use of a purchase order. A blanket purchase order will be issued for no more than \$1000.

§ A206-4 **When effective.**
The policy shall go in effect immediately.

HOSTILE WORK ENVIRONMENT AND SEXUAL HARASSMENT POLICY

The following Hostile Work Environment and Sexual Harassment policy has been reviewed and hereby reapproved without changes/ with the following italicized changes:

HOSTILE WORK ENVIRONMENT POLICY

Preamble

Sexual harassment in the workplace is not merely an offensive working condition, it is against the law. Like harassment on the basis of color, race, religion or national origin, sexual harassment which discriminates on the basis of gender, is a violation of Section 703 of Title VII of the Civil Rights Act of 1964 as amended, and the New York State Human Rights Law.

I. Definitions/Descriptions/Prohibited Conduct:

A. Definitions:

1. The Equal Employment Opportunity Commission (EEOC) of the United States Government defines sexual harassment in the workplace or in the academic setting as:
“The use of one’s authority or power, either explicitly or implicitly, to coerce another into unwanted sexual relations or to punish another for his or her refusal; or the creation of an intimidating, hostile or offensive working environment through verbal or physical conduct of a sexual nature.”
2. Unwelcome sexual advances, requests for sexual favors or other verbal or physical conduct of a sexual nature will constitute sexual harassment when:
 - a. Submission to the conduct is either an explicit or implicit term or condition of employment; or
 - b. Submission to or rejection of the conduct is used as a basis for an employment decision affecting the person rejecting or submitting to the conduct, or
 - c. The conduct has the purpose or effect of unreasonably interfering with an affected person’s work performance, or creating an intimidating, hostile, or offensive work environment.

B. Descriptions:

1. Sexual harassment includes all behavior that prevents or impairs an individual’s full enjoyment of educational or workplace rights, benefits, environments, or opportunities. These behaviors include but are not limited to:
 - a. Sexist remarks, jokes, or behavior.
 - b. Unwelcome sexual advances, including unwanted touching
 - c. Request for sexual favors
 - d. Sexual assault, including attempted or completed physical assault
 - e. The use of professional authority to inappropriately draw attention to the gender, sexuality or sexual orientation of an employee, colleague, or student
 - f. Insults, including lewd remarks or conduct
 - g. Visual displays of degrading sexual images or pornography
 - h. Pressure to accept unwelcome social invitations

C. Statement of Prohibited Conduct:

1. General Considerations: An atmosphere where sexual harassment is present cannot and does not foster solid, positive and trusting human relationships. Both are necessary ingredients for a municipality to operate professionally. The impact on the victim of sexual harassment can be profound. Studies on the effect of sexual harassment reveal disturbing consequences, such as loss of self-confidence, decline in academic performance, and inhibited forms of professional interaction. Sexual harassment has no place in the Village of Palmyra. It is behavior that we must seek to identify and eradicate.

Every Village employee is entitled to a working environment free from sexual harassment. Sexual harassment has devastating economic, psychological and physical effect on its victims. Its cost to the Village is enormous in both human and financial terms, including the replacement of personnel who leave their jobs, increased use of health benefit plans due to emotional and physical stress, and decline in individual and workplace productivity. Sexual harassment has no place in the Village workplace. Ignoring the problem is tolerating the problem, and the Village is determined that sexual harassment will not be tolerated. The Village supports this policy and will adhere to the given mandates by prohibiting sexual harassment in all phases of employment. Sexual harassment is unlawful, and such prohibited conduct exposes not only the Village, but individuals involved in such conduct, to significant liability under the law. Employees at all times should treat other employees respectfully and with dignity in a manner so as not to offend the sensibilities of a coworker. Accordingly, the Village of Palmyra is committed to vigorously enforcing its sexual harassment policy at all levels within the agency.

2. Prohibited Conduct: The Village of Palmyra considers the following conduct to represent some of the types of acts that violate this agency's sexual harassment policy.
 - a. Physical assaults of a sexual nature, such as:
 - Rape, sexual battery, molestation, or attempts to commit these assaults.
 - Intentional physical conduct which is sexual in nature, such as touching, pinching, patting, grabbing, brushing against another employee's body, or poking another employee's body.
 - b. Unwanted sexual advancements, propositions, or other sexual comments, such as:
 - Sexually oriented gestures, noises, remarks, jokes, or comments about a person's sexuality or sexual experience directed at or made in the presence of any employee who indicates or has indicated in any way that such conduct in his or her presence is unwelcome.
 - Preferential treatment or promises of preferential treatment to an employee for submitting to sexual conduct, including soliciting or attempting to solicit any employee to engage in sexual activity for compensation or reward.
 - Subjecting, or threats of subjecting, an employee to unwelcome sexual attention or conduct or intentionally making performance of the employee's job more difficult because of that employee's sex.
 - c. Sexual or discriminatory displays or publications anywhere in the Village of Palmyra workplace by Village employees, such as:
 - Displaying pictures, posters, calendars, graffiti, objects, promotional material, reading materials, or other materials that are sexually suggestive, sexually demeaning, pornographic, or bringing into the Village of Palmyra work environment or possessing any such material to read, display or view at work.
 - A picture will be presumed to be sexually suggestive if it depicts a person of either sex who is not fully clothed or in clothes that are not suited to or ordinarily accepted for the accomplishment of routine work in and around

the Village of Palmyra and who is posed for the obvious purpose of displaying or drawing attention to private portions of his or her body.

- Reading or otherwise publicizing in the work environment material that are in any way sexually revealing, sexually suggestive, sexually demeaning, or pornographic.
- Displaying signs or other materials purporting to segregate an employee by sex in any area of the workplace.
- Retaliation for sexual harassment complaints, such as Disciplining, changing work assignments of, providing inaccurate work information to, or refusing to cooperate or discuss work-related matters with any employee because that employee has complained about or resisted harassment, discrimination, or retaliation.
- Intentionally pressuring, falsely denying, lying about or otherwise covering up or attempting to cover up conduct such as that described in any item above.
- Other acts: The above is not to be construed as an all-inclusive list of prohibited acts under this policy.

Sexual harassment is unlawful and hurts other employees. Any of the prohibited conduct described here is sexual harassment of anyone at whom it is directed or who is otherwise subjected to it. Each incident of harassment contributes to a general atmosphere in which all persons who share the victim's sex suffer the consequences. Sexually oriented acts or sex-based conduct have no legitimate business purposes; accordingly, the employee who engages in such conduct should be and will be made to bear the full responsibility for such unlawful conduct.

II. Consequences for Violation of Policy:

The village of Palmyra is committed to eradicating sexual harassment from its workplace. As such violations will not be tolerated and each offense will be met with specific consequences. The parameters established by Civil Service Law and appropriate clauses of negotiated agreements will be considered in imposing written reprimand, fines, suspension, demotion, or termination. Progressive discipline is an underlying principle and increasingly more severe actions will be imposed should repeat violations occur.

A written record of each action taken pursuant to the policy will be placed in the offending employee's personnel file. The record will reflect the conduct, and the warning given, or other discipline imposed.

III. General Procedure:

The names, responsibilities, work locations, and phone numbers of each investigative officer (typically the Mayor) will be routinely and continuously posted so that an employee seeking such name can ensure anonymity and remain inconspicuous to all of the employees in the unit or department in which he or she works.

The investigative officer (i.e., the Mayor) may appoint "designees" to assist him/her in handling sexual harassment complaints. Persons appointed as designees shall not conduct an investigation until they have received training equivalent to that received by the investigative officers. The purpose of having several persons to whom complaints may be made is to avoid a situation in which an employee is faced with complaining to the person, or a close associate of the person, who would be the subject of the complaint. Complaints of acts of sexual harassment or retaliation that are in violation of the sexual harassment policy will be accepted in writing or orally, and anonymous complaints will be taken seriously and investigated. Anyone who has observed sexual harassment or retaliation should report it to a designated officer. A complaint need not be limited to someone who was the target of harassment or retaliation.

Only those who have an immediate need to know, including the investigative officer and/or his or her designee, the alleged target of harassment or retaliation, the alleged

harassers or retaliators and any witnesses, will or may find out the identity of the complainant. All parties contacted in the course of an investigation will be advised that all parties involved in a charge are entitled to respect and that any retaliation or reprisal against an individual who is an alleged target of harassment or retaliation, who had made a complaint, or who has provided evidence in connection with a complaint is a separate actionable offense as provided in the schedule of penalties. This complaint process will be administered consistent with current labor laws as appropriate.

Specific Procedures for Complainants:

Employees who feel that discrimination has occurred on the basis of sexual harassment have certain rights under the law and have various administrative and legal remedies available to them. However, it has always been our goal to address and resolve these matters at the workplace through an internal discrimination complaint procedure. Therefore, if an employee of the Village feels that he or she is a victim of sexual harassment, it should promptly be reported, in confidence, to:

Mayor David Husk
Village of Palmyra
144 East Main St.
Palmyra NY 14522
585-597-4849

Swift, thorough, and confidential investigations of allegations of sexual harassment will be conducted on a case-by-case basis and appropriate measures, including disciplinary actions, will be taken if the alleged sexual harassment is proven.

Responsibility for handling complaints of sexual harassment will rest with the Mayor under the general supervision of the Village Board. It will be the responsibility of all staff to cooperate with such investigations, with due regard for confidentiality to ensure protection of the complainant and the accused. Additionally, there will be appropriate follow-up to determine if sexual harassment has been effectively stopped.

The Village will also be conducting an agency-wide training program on sexual harassment in order to increase staff awareness and sensitivity in this area. It is hoped that this effort will minimize the need for sanction.

Nothing in this policy statement shall be construed to enlarge upon or limit or abridge the rights of any person under the United States or State Constitutions or the Statutes of the United States or the State of New York.

- A. The complainant should present the complaint as promptly as possible to the Mayor after the alleged harassment occurs. Failure to present a complaint promptly may preclude recourse to legal procedures beyond the jurisdiction of the Village of Palmyra should the complainant decide to pursue such action at a later date.
 1. The initial discussion between the complainant and the Mayor should be kept confidential, with no written record.
 2. The Mayor has the authority to make a good faith effort to resolve the complaint through processes at this stage. There may be cases that can be resolved through efforts of mediation and for which the alleged offender apologizes for her/his actions.
 3. If the complainant, after the initial discussion with the Mayor, decides to proceed, the complainant should submit a written statement to the Mayor.
 4. The Mayor informs the alleged offender of the allegation and of the identity of the complainant in writing. A copy of this is sent to the complainant. Efforts should be made to protect the complainant from retaliatory action by the person(s) named in the complaint.

- B. The Mayor alerts the Village board that a complaint has been filed and promptly calls a meeting of the Village Board. Each member of the Board shall receive a copy of the written statement of the complaint.
 - C. The Board may vote to either accept the complaint for full review or decline to consider the complaint. The Board will base its decision on its judgment of its capacity to handle the matter in light of its resources and competence; the seriousness of the complaint; the degree to which the complaint alleges specific violations of the Village's Sexual Harassment Policy; the likelihood that the Village will be able to make a positive contribution of resolving the problem. If the Board decides to decline consideration of the complaint, it will submit an explanation in writing to the complainant and the alleged offender.
 - D. The Mayor will gather all facts pertinent to the allegations of the complaint.
 - 1. The investigation will be conducted promptly and objectively.
 - 2. The investigation will include statements by the complainant(s), person(s) accused, and others as necessary.
 - E. The Board has the following options:
 - 1. If the Board concludes that on the basis of the investigation insufficient evidence of harassment exists to warrant any action, may close the investigation and so notify the complainant and alleged offender in writing.
 - 2. If the Board concludes on the basis of the investigation that sexual harassment has occurred and that the claim is valid then in addition to a counseling memorandum, the matter may be treated as a disciplinary matter for union employees and shall be handled under the appropriate provisions of the Collective Bargaining Agreement for the Department of Public Works employees and police officer employees and /or New York State Law. The Village at all times retains sole discretion to determine the appropriate disciplinary and/or corrective action to be taken with regard to the meritorious complaint.
 - 3. If disciplinary charges are filed against a union employee on the grounds that the Village has determined the employee is guilty of unlawful harassment, the accused employee may exercise his/her rights through the disciplinary procedure provided for in his/her Labor Contract and/or State Law.
 - F. Every effort will be made to maintain confidentiality throughout the process, but total confidentiality cannot be guaranteed. The Board will protect the privacy of both the complainant and persons accused in every way possible during the process of the complaint and thereafter.
 - G. The Village prohibits any form of retaliation against any member or employee of the Village filing a complaint against a member. Any retaliatory action of any kind taken against a complainant under this procedure is prohibited and will be the basis for a separate complaint subject to disciplinary action by the Board.
 - H. If, after investigating a complaint the Board determines that a complainant knowingly made a false complaint or knowingly provided false information regarding a complaint, the Board may decide that disciplinary actions, as above, are warranted and the Village may take action in accordance with the provisions of the applicable Collective Bargaining Agreement and/or State Law.
 - I. The decision of the Village Board is final.
- IV. Procedures for Education and Training: Education and training for employees at each level of the work force are critical to the success of the Village of Palmyra's policy against sexual harassment.

As part of general orientation, each recently hired employee will be given a copy of the sexual harassment policy statement, requested to read it and sign a receipt so that they are on notice of the standards of behavior expected. In addition, all employees will receive training on the topic every two years.

All employees with supervisory authority over other employees and all employees working in a managerial capacity will participate in a training session on sexual harassment preventions.

Copies of the Village of Palmyra's sexual harassment policy statement and accompanying procedures will be available at the Village of Palmyra Village Clerk's Office at 144 East Main St. Palmyra, NY 14522.
